Guidance notes for applicants

Under the Animal Welfare Act 2006 (Licensing of Activities Involving Animals) (England) Regulations 2018, businesses that intend to carry on the following licensable activities:

- Selling animals as pets in the course of a business;
- Providing or arranging for provision of accommodation for cats or dogs in the course of a business;
- Hiring out horses in the course of a business;
- Breeding 3 or more litters of puppies in any 12-month period; and/or breeding dogs and advertising a business of selling dogs; and
- Keeping or training animals for exhibition in the course of a business for educational or entertainment purposes

must be licensed by the applicable local council. These licences are known as 'Animal Activity Licences.

1. The Act requires that licences are issued for a period of between 1 and 3 years, dependent on the outcome of the inspection of the premises and the star rating it is awarded.
2. Renewed licences will follow the same process.
3. Please complete Sections 1 to 16 of the application form, then select the relevant Schedule(s) for which your proposed licensable activity/activities apply
4. Should you need additional space to complete your response to these questions, please continue on a blank page, indicating clearly which question you are responding to. We may also accept copies of documents (e.g. operational manuals) in place of individual responses to these questions, providing that they cover all required matters.
5. The licensing authority advises that an appropriate level of public liability insurance should be held by every business. Where the business employs other persons, employer's liability insurance should also be held. As every business is different we do not consider it appropriate to specify minimum coverage levels, which should be discussed with a suitable insurance adviser.

Scale plan requirements

If you are applying for a new licence, or have made significant changes to the layout of the premises since your last licence was granted, please provide a scale plan, which clearly shows the (internal) layout of your premises.

Plans may be drawn to any appropriate scale (please indicate what scale you have used). There is no requirement to have plans professionally drawn – we will accept any reasonable plan, which shows all areas of your premises which will be used in the course of the boarding business, including animal accommodation, food preparation areas, isolation facilities and exercise areas, and which includes, as a minimum:

- All internal and external walls or fences, and the boundary of your premises
- Access and egress points to and from the premises
- Location of emergency escape routes from the premises (if different to above)
- Areas used for accommodating animals (including any permanent enclosures, structures or pens)
- Areas used for exercising animals (including any permanent enclosures, structures or pens)
- Areas used for storage/preparation of food for animals
- Location of fire detection/safety equipment
- Location of any medical equipment/isolation facility
- Location of any heating/ventilation sources

If you have previously submitted a scale plan of your premises (i.e. if you are applying to renew an existing licence), and no changes have been made to the layout or structure of the premises since your licence was granted, it is not necessary to submit a further plan with this application.
