1. INTRODUCTION

- 1.1 The Council needs to keep its information on the nature, progress and distribution of housing in the Borough up to date to help inform its decisions and policies on new housing and related development. The information can also be used to test the Council's performance against a number of Government set requirements regarding the supply and delivery of new homes.
- 1.2 This Position Statement is intended to provide a snapshot of housing land availability and completions within the Borough. The statement is published annually and represents the position on 1 April 2021. The full period covered by the statement is 1 April 2020 – 31 March 2021 and provides basic baseline data for the Authority Monitoring Report.
- 1.3 Additional information on the Position Statement can be obtained from the Strategic Planning team as follows:

Note: The information presented in the Position Statement is given in good faith and without prejudice on the part of Dacorum Borough Council.

2. EXPLANATORY NOTES

(a) General:

- All sites in Section 4 have a current planning permission for residential development.
- Sites subject to planning obligation (s.106 Agreements)¹ are included in the Position Statement as a separate schedule (see Section 8). Until the legal agreement is completed, the sites do not appear in the main housing schedule.
- Developments involving a net loss of housing units are included in the Position Statement (e.g. a scheme solely resulting in the demolition of dwellings) together with schemes involving no net increase (e.g. replacement dwellings).
- In the case of several permissions on the same site, it is the consent that establishes the highest total that is recorded.

(b) Schedules:

The following column headings are used throughout the Position Statement:

Column Heading	Comments
<i>Settlement</i>	Refers to a site falling within an identified urban settlement or village within the Core Strategy. Settlements headed "Rest of Dacorum" are those sites in the Green Belt that are either close to but outside of these settlements or are in villages not identified in the Plan. Similarly, settlements headed "Rural Area" are those sites in the Rural Area that are either close to but outside of these settlements or are in villages not identified in the Plan.
<i>Planning Status</i>	U/C – Site is under construction. Outstanding – Site not yet started.
<i>App No.</i>	The planning application number.
<i>PDL</i>	Previously Developed Land. Generally refers to whether the site is brownfield (Y) or greenfield (N) land.
<i>Site Area</i>	Measured in hectares.
<i>Address</i>	These are not in street name order.
<i>Commitments</i>	This sets out the number of units remaining to be built taking into account any that are already completed or lost. N/S – not started
<i>Permission Classification</i>	CON/COU – conversions/changes of use Large Site – new build housing site of 5 or more homes. Small Site – new build housing site of 4 or less homes.

¹ A planning obligation is generally a legal agreement between the local planning authority and the developer or a unilateral undertaking by the developer. Planning permission is not granted until the planning obligation is completed.

3. GENERAL NOTES

- a) This re-issued (July 2022) Residential Land Commitments Position Statement takes account of changes made by Hertfordshire County Council (as the authority responsible for maintaining records) to the housing commitments and completions since its initial publication back in December 2021. While relatively minor, it was felt necessary to update this statement to ensure the baseline housing data remains accurate and that the information is made readily accessible to the public.
- b) The Council adopted its Core Strategy on 25th September 2013 and thus the plan is more than 5 years old. This means that the council is now required to follow the Government's standard methodology for calculating its minimum annual housing need figure.

The Government continues to broaden permitted development rights and the prior approval process to allow for the conversion of non-residential uses to residential. This means that a number of schemes will benefit from such rights and these continue to boost the number of conversion and change of use commitments (see Section 4).

- c) In reality, application 4/2539/16 in section 8 is a much larger scheme of 600 homes that straddles into St Albans City and District. The 440 homes stated is an estimate of those in the Dacorum part of the development.
- d) The housing capacity associated with planning permission 20/02021 at The Old Orchard, Shootersway, Berkhamsted is the equivalent homes based on 1.83 bed spaces per dwelling.
